## Subscription Form 2004

www.orbichem.com

Fax No: + 44 20 7978 5307  
Tel No: + 44 20 7924 3955

I wish to subscribe to the following Chem-Netfax reports each month:

### SERIES A - on the first working day of each month

- |  |  |   |  |
|--|--|---|--|
| <input type="checkbox"/> Acetic Acid / Vinyl Acetate | <input type="checkbox"/> DMT / PTA           | <input type="checkbox"/> Mixed Xylenes                        | <input type="checkbox"/> Polyester Polymer (PET) |
| <input type="checkbox"/> Acrylic Fibre               | <input type="checkbox"/> EDC / VCM           | <input type="radio"/> <b>Orthoxylene / Phthalic Anhydride</b> | <input type="checkbox"/> Polypropylene           |
| <input type="checkbox"/> Acrylonitrile               | <input type="checkbox"/> Ethylene            | <input type="checkbox"/> Paraxylene                           | <input type="checkbox"/> Polypropylene Fibre     |
| <input type="checkbox"/> Benzene                     | <input type="checkbox"/> HDPE                | <input type="checkbox"/> Phenol / Cumene                      | <input type="checkbox"/> Polystyrene             |
| <input type="checkbox"/> Butadiene                   | <input type="checkbox"/> LDPE / LLDPE        | <input type="checkbox"/> Phthalates / 2-EH                    | <input type="checkbox"/> Propylene               |
| <input type="checkbox"/> Caprolactam                 | <input type="checkbox"/> Monoethylene Glycol | <input type="checkbox"/> Polyamide Fibre                      | <input type="checkbox"/> PVC                     |
| <input type="checkbox"/> Cyclohexane                 | <input type="checkbox"/> Methanol            | <input type="checkbox"/> Polyester Fibre                      | <input type="radio"/> <b>Styrene</b>             |
|  | <input type="checkbox"/> MTBE                |   | <input type="checkbox"/> Toluene                 |

### SERIES B - on the first working day of each month

- |   |  |   |   |
|---|--|---|---|
| <input type="checkbox"/> ABS            | <input type="checkbox"/> Bisphenol A     | <input type="checkbox"/> Ethyl Acetate            | <input type="checkbox"/> Nonyl Phenol                     |
| <input type="checkbox"/> Acetone        | <input type="checkbox"/> n-Butanol       | <input type="checkbox"/> Isocyanates (MDI TDI)    | <input type="checkbox"/> Polyamide Resin                  |
| <input type="checkbox"/> Acrylic Esters | <input type="checkbox"/> Cyclohexanone   | <input type="radio"/> <b>Maleic Anhydride</b>     | <input type="checkbox"/> Propylene Trimer                 |
| <input type="checkbox"/> Adipic Acid    | <input type="radio"/> DEG / TEG          | <input type="checkbox"/> Methyl Methacrylate      | <input type="radio"/> <b>Unsaturated Polyester Resins</b> |
| <input type="checkbox"/> 1,4-Butanediol | <input type="checkbox"/> Epichlorohydrin | <input type="radio"/> <b>Monopropylene Glycol</b> |   |

### SERIES C - on the 16th of each month or next working day

- |                                  |  |                               |                                   |
|----------------------------------|--|-------------------------------|-----------------------------------|
| <input type="checkbox"/> Benzene | <input type="checkbox"/> Mixed Xylenes | <input type="checkbox"/> MTBE | <input type="checkbox"/> Methanol |
|----------------------------------|--|-------------------------------|-----------------------------------|

Annual Subscription Costs in United States Dollars are as follows:

#### SERIES A

1 report	\$600
2 reports	\$1,100
3 reports	\$1,550
4 reports	\$1,775
Each additional report	\$275

#### UNSATURATED POLYESTER RESINS : PACKAGE OFFER

The six indicated by  above are available at a package price of \$1,950

#### SERIES B and SERIES C

Each report	\$875
